Muni-Link joins Arkansas Rural Water Association

Bellwood, PA; April 5, 2019. Muni-Link Billing Software, a division of Link Computer Corporation adds another state utilities association.

Due to an overwhelming response from several new customers and prospects in the state of Arkansas, Muni-Link has decided to join and support the Arkansas Rural Water Association.

Mac Rosenbaum, SVP Sales & Marketing, Muni-Link:

“The acceptance of Muni-Link Billing Software has been remarkable in the state of Arkansas, and we look forward to sharing our solutions and future plans with members of the association, as well as providing ongoing support to this important organization.”
